

**Math7**  
Mr. Nordick's Policies

Required Daily Materials:

1. Pencils (have several!)
2. Completed assignment (Homework is due the day after it is assigned)
3. Two single subject notebooks (one for notes, one for assignments)
4. Math Book
5. Math Tools: **Calculator**, Ruler, Protractor
6. A positive attitude!

Tardies:

I am very picky about tardies. I expect you to be in your seat with materials ready when the bell rings. If you are more than 15 minutes late for an unexcused reason, you will be marked as unexcused. Every tardy is a log. Logs lead to minors.

Absences, whether you:

1. Missed a full day of school
2. Will miss part of a day of school
3. Came in late

You must bring in a note from your parents. Don't bring the note to me. Bring your note to Julie in the office and she will give you the appropriate slip, which you must show to me.

If you are gone for a different excused reason, you will receive 2 days in which to make up your work. When you turn it in, write "ABSENT" on the top and the date you turned it in to get full credit.

Late Papers

If you were not absent, **I expect all assignments to be done on time**. You are allowed one late assignment during the quarter. After this, all late work will be worth at most 75% of the original score. Homework for each chapter will be accepted until the day of the chapter test. After this day, no credit will be given.

Quiz Policy

Most quizzes will be done on Canvas (online). Quizzes can be retaken if you have done the required homework practice. You must complete quiz retakes within one week during study hall or I.S.

There are no retakes on tests. However, corrections can be made to earn points back.

**Cheating**

Anyone involved in cheating on homework, tests or quizzes will automatically get a zero on that assignment.
